

Category C

This assessment measures your knowledge of your selected driving category.

The exercise consists of a number of questions. Read the on-screen instructions along with the questions and answer options. The questions are presented in a number of different styles. Select the appropriate answer and click **Next** to move on to the next question.

You may click **Back** to return to previously answered questions and alter your answer if you wish.

You are allowed 35 minutes for this assessment.

If you complete the exercise before the time has expired then click on Finish, otherwise the exercise will end automatically.

The content of this assessment is checked on a minimum of an annual basis in conjunction with the Freight Transport Association. All content is correct as of March 2015.
